This year **CHSAA** is requiring all student athletes to have an account with **Arbiter Athlete**. This will enable **CHSAA** to keep up with eligibility and other important information. Please go to [www.arbiterathlete.com](http://www.arbiterathlete.com) and create your student account. You may also text S40689 to 69274 and follow the instructions there. Please create your account ASAP. (Parents need an account only if your student is a transfer) Thank you!
